Pedestrians living above Buena Vista often use Calle del Mar as a thoroughfare in walking from their homes on the hill to the village shopping center, and return. This is steep and unpaved. It has been recommended that this portion could be rendered much more usable and infinitely safer if a terraced footpath were constructed in the form of a rock stairway for this purpose.

No. 2. The gutter drain on the upper side of Buena Vista is definitely inadequate to carry the runoff of moderate rainstorms, in its present clogged and overgrown condition. As this is considered a county responsibility requiring heavy equipment to remedy, it is hoped that this might be taken care of by prisoner labor.

There being no further business, the meeting adjourned at 9:25 P.M.

The Secretary also took up the matter of having an officer patrol the Mill Valley to Stinson Beach road with the Public Safety Department of the California State Automobile Association. Mr. Graver of that department, in turn, took this matter up with the head of the Highway Patrol in San Rafael. He was told that they were aware of the need of a patrol officer on that highway but that they were short three men and these men have never been replaced. Mr. Ed Moore, Manager of the Public Safety Department, is going to take this matter up in Sacramento to see if these men cannot be replaced. The head of the Highway Patrol in San Rafael did tell Mr. Graver that they would like to have a man live in West Marin so that he could patrol those roads all the time. We shall hear from Mr. Moore later.

BOY SCOUTS

Mr. Sadler gave a very complete report on the Boy Scout inactivity for the past few months. While, as previously stated, there are about 11 eligible boys who are anxious to take part in this activity, due to the lack of a Scout Master, nothing could be done. However, with the good efforts of President Jaques, Mr. Cavanaugh and Mr. Saddler, along with Mr. Haake, San Rafael representative, a meeting was held and finally Daniel O'Gorman agreed to be the new Scout Master, with the help of Shadow Helfrich as Assistant. Everyone is very happy in regard to this selection. It will be necessary for these young men to attend Scouting School to prepare themselves for this role.

were made, the Bylaws were accepted. These are on file for anyone who would care to read them.
